O R D E R:

The Tata Memorial Centre is an autonomous grant-in-aid institution under the administrative control of the Department of Atomic Energy, Government of India and Tata Memorial Hospital is a comprehensive cancer care facility in India established during the year 1941 by the TATAs., and presently under the control of the Department of Atomic Energy, Government of India .

2. The Director, Tata Memorial Centre in the reference read above has stated that on an invitation from the then Hon'ble Chief Minister of Andhra Pradesh , the proposal to establish their second campus in the State was discussed and after extensive consultations with all Stakeholders ie., the Professors, Doctors, Members of the governing body and the Chairman of Atomic Energy Commission, Government of India it was decided to setup the second campus of the Tata Memorial centre in Andhra Pradesh. The Committee constituted by the Tata Memorial centre to select a suitable location for the institution's main campus has found most suitable land in the industrial park of A.P. Industrial Infrastructure Corporation (APIIC) at Aganampudi village, Visakhapatnam district. The Director has requested the Government to allot 80 acres of land at Aganampudi APIIC industrial park at a nominal cost to develop the campus in a phased manner.

3. The Director, Tata Memorial centre has stated that in the first phase they have proposed to establish a 100 bedded hospital, Territory Cancer care centre for promoting prevention, cure, rehabilitation and palliation. He has further stated that the Hospital will offer the complete range of services viz., out patient and in patient services, diagnostic services, therapeutic services, preventive oncology, supporting and ancillary services, rehabilitation, telemedicine, Hospital information system and administrative support systems. The Tata Memorial centre will establish a research centre exclusively for cancer in the second phase and nursing school and advanced school on Epidemiology, a State of Art facility in the Country in the third phase.

4. As the Tata Memorial Centre is a recognized training centre for Cancer education and research by National and International Organizations such as WHO, IAEA and UICC and nearly 70% of the Cancer patients from all over India and neighboring countries are receiving primary care at the hospital all most on free of charges, it has been decided to have such institute of excellence/ specialized hospital in Andhra Pradesh also.

5. Accordingly, the proposal of the Tata Memorial centre to establish their second campus in the State was considered and the Government hereby allotted land upto 80 acres at APIIC Industrial park, Aganampudi village, Visakhapatnam district to the Tata Memorial Centre to establish their second campus subject to payment of Rs.1.50 lakhs per acre to the AP Industrial Infrastructure Corporation.
